3 Unique Lid Options

Galaxy collection is a versatile line of recycling and waste receptacles that allow flexibility in placement and configuration to meet your recycling needs. Granite finish on lids provides an upscale presence and complements any environment.

- Heavy-duty, plastic containers with 35-gallon capacity are designed for high traffic areas both indoors and outdoors
- Scratch-resistant, molded-in graphics and unique lid openings clearly identify the receptacles as a recycling or trash container
- Snug fit lid design secures lid to base and molded-in finger grips allow for hassle free maintenance
- Slanted lid discourages placement of trash on top of receptacle
- Removable plastic liners with Grab Bag® system secures trash bag in place for convenient maintenance
- Made in the USA
- ADA compliant
