The Glaro "Profile" Collection

Large Capacity, 24 Inch Wide

Half Round Waste Receptacles

Floor Standing & Wall Mounted Waste and Ash/Trash Models

Space Saving Designer Waste and Ash/Trash Receptacles

These space saving half round waste and trash receptacles are the product of choice for use against walls, columns, and partitions anywhere. Finely crafted in the U.S.A. by Glaro Inc., these durable, all metal, fire-safe, half round waste receptacles feature a full width aluminum piano hinged cover and rustproof aluminum bottoms. They are specifically designed to match and coordinate with the design, look, and feel of all Glaro product lines in order to create consistency within a space.

Optional Wall Mounting Bracket

Keep floors clear and easy to maintain. All models are easily mounted to the wall with Glaro's optional wall mounting bracket.

Optional Silk Screen Printed Messages and Logos for Receptacles

A message, logo, or graphic of your choice may be easily applied to any Glaro product for a nominal fee. Our graphics department can assist you with the art work and submit a proof for your approval.

Thirty One Designer Finishes for Trash and Ash/Trash Receptacles

Solid aluminum models are available in clear powder coated all satin aluminum (SA), or tarnish proof all satin brass (BE). Galvanized steel models are available in 29 textured and smooth powder coated finishes for the bodies. Choose from Satin Aluminum (SA), tarnish-proof Satin Brass (BE), or a matching powder coat finish for the finish of the hinged covers for all models.
