ArchTec Parkview provides an upscale, sophisticated appearance to any décor. This environmental friendly unit is perfect for any indoor/outdoor application and supports your facility's green initiatives.

- Attractive, double-sided split lid with built-in divider keeps your contents easily separated.
- Lid cable attachment keeps the lid secured to the base.
- Lid is constructed of durable polyethylene – won't rust, dent or chip
- Set of decals included to clearly identify your recycling program requirements.
 - Blue/White Decals included: Trash, Aluminum, Glass, Plastic Bottles, Plastic Bags, Paper, Mixed Recyclables, and two recycle logos
- Waste Container Base is constructed of heavy-gauge, fire safe vertical steel rails; unit offers extreme durability.
- Weatherproof, powder-coated finish provides long service years.
- 3/4" built-in feet add stability and help prevent unit from being damaged by the weather elements
- Z-bracket anchoring system (located at the bottom of the unit) allows the unit to be secured in place.
- Includes two removable, black powder-coated 25-gallon galvanized liners with built-in handles and Grab Bag System.
- Grab Bag System secures your trash liner in place and out of site. Made in U.S.A. and China, 1-year warranty
