

INSTRUCTION SHEET

Wipe Dispenser Mounting Instructions

Wipes Dispenser may be mounted on a horizontal surface or a vertical surface.
See *Illustrations 1 and 2*.

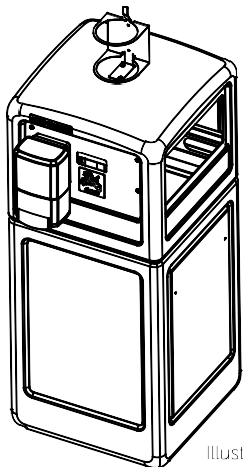

Illustration 1

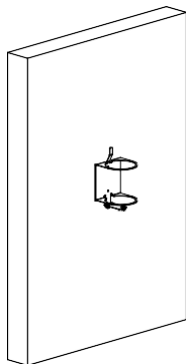

Illustration 2

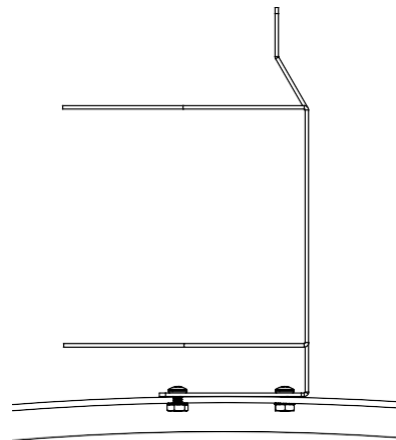

Illustration 3

Mounting Instructions Using Bolts and Nuts (**PREFERRED METHOD**)

1. Place Wipes Dispenser on top of Waste Container Dome Lid. Using the Dispenser as a guide, mark the hole locations. See *Illustration 1*
2. Drill 0.2" Diameter holes into the mounting surface at the locations marked in Step 1
3. Insert bolts through the existing holes on the dispenser and through the drilled holes on the mounting surface.
4. Thread the nuts on the opposite side of the bolt and tighten. See *Illustration 3*

Mounting Instructions Using Screws and Wall Anchors

1. Place Wipes Dispenser against desired mounting surface. Using the Dispenser as a guide, mark the hole locations.
2. Drill 0.2" Diameter holes into the mounting surface at the locations marked in Step 1
3. Insert wall anchors into the holes
4. Mount dispenser to surface by inserting the screws through the holes on the dispenser and screwing into the anchors.

Mounting Instructions Using Double-Sided Tape

1. Clean mounting surfaces with alcohol wipe and allow to air dry
2. Remove tape backing and press on the bottom or back of dispenser
3. Remove opposite side of tape backing
4. Firmly press the adhesive portion of the dispenser onto the mounting surface and hold for 15 seconds
