## NATURE SERIES

NS33-BB, NS33-LV

NS33-LV T

NS33-LV R

NS33-BB T

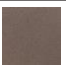

NS33-BB R

Inspired by the great outdoors, our Nature Series features two attractive patterns creating four sets of 32-gallon decorative Trash and Recycling receptacles in neutral metallic powder-coated finishes with color-coordinated liners that further enhance the laser cut graphics.

### FEATURES & BENEFITS

- Outdoor 32-gallon steel receptacles with aluminum dome tops
- Laser cut graphics include Bamboo Stalks or Leaf patterns featuring either TRASH or RECYCLE with corresponding universal icons - no decals
- TRASH unit dome tops include three (3) oblong openings and RECYCLE unit dome tops include four (4) circular openings, each 5" in diameter
- Included color-coordinated LLDPE liner features lift handles and bag retention notches.
- Dome lid is secured to unit with a plastic coated steel security lanyard to prevent theft and vandalism
- Units can be mounted either in-ground or on poles, fences or wall surfaces using mounting kits provided (B-1022 & WR-MT KIT). Ex-Cell recommends units be mounted in one of these methods to help minimize body and lid damage
- Bodies contain over 30% recycled materials, lids contain over 70% recycled materials, and entire receptacles are 100% post-consumer recyclable
- The liner base resin meets UL94 flammability standard
- Made in the USA
