

POLYTEC™ SERIES

55-gal, Mixed Recyclables & Trash

This heavy-duty mixed recyclable & trash receptacle caters to high traffic areas and offers hassle-free maintenance. The PolyTec™ 55-gallon Container has a streamlined, contemporary style that encourages recycling and reflects your concern for the environment. The innovative lift-off lid and patented Grab Bag™ system secure trash bags in place for a cleaner appearance and keeps bag from slipping inside of liners. Tapered, dual liners allow this large capacity receptacle to be maintained with little effort.

KEY BENEFITS & FEATURES:

- Ideal indoor or outdoor solution, perfect for any business
- Durable and built to last in the harshest weather conditions
- Environmentally-friendly containers, molded from long-lasting recycled polyethylene that won't rust, dent, chip and is graffiti-resistant
- Material is easy to maintain and clean, saving you time and hassle
- Open top lid with two large trash openings offers convenient disposal to accommodate all types of litter
- Silk screened labeling clearly identifies opening. Decals included are bottles, trash, mixed recyclables and recycle logo
- Two 27.5-gallon plastic liners allow for easy maintenance and each liner includes a unique patented Grab Bag™ system to secure the trash bag in place for a cleaner appearance
- Optional base-to-lid cable attachment #795500 and bolt-down hardware #793100 available to protect your investment
- 100% Recyclable after use
- Standard 2-day lead time.
