

STONETEC® SERIES

StoneTec Mixed Recycling Container, 30-Gallon

Enhance your surroundings and make a strong, lasting impression with these all stone waste receptacles! This 30-gallon StoneTec® mixed-recycling receptacle is made from durable, fiberglass-reinforced polymer concrete in a contemporary square design that wipes clean with just soap and water. It's designed to withstand extreme climates while maintaining their beautiful aesthetic, these heavy-duty recycling containers won't rust, dent, or chip. This recycling receptacle not only has a large capacity but includes a durable, pull-out plastic liner that makes emptying easy and safe.

KEY BENEFITS & FEATURES:

- Clean, attractive appearance is ideal indoor or outdoor solution
- Natural stone look, constructed from a polymer concrete formula and fiberglass reinforcements – built to last in the harshest weather conditions
- Real stone appearance creates an upscale appearance that complements any design style throughout any property
- Durable, ABS lid with a cable to secure lid to base for extra security
- Material is easy to maintain and clean, saving you time and hassle
- Mixed recyclable opening allows for convenient disposal to accommodate all types of litter
- Decals included: Plastic Bottles, Bottles & Cans, Mixed Recyclables, Organic Waste, Paper, Trash
- Heavy-duty plastic liner has patented Grab Bag® system to secure trash bag in place, reducing slippage, for a cleaner appearance with a decreased chance of the lid blowing off
- Ships on a skid; special shipping requirements may apply
