VENUE COLLECTION

VCR-33 PERF, VCT-33 PERF, VCC-33 PERF

The Venue Collection features Laser Cut RECYCLE, TRASH or COMPOST graphics (unlike other units that use decals). These Venue units also feature color coordinated plastic liners and lids.

FEATURES & BENEFITS

- Brushed Stainless Steel body is fully welded with contemporary perforated hole pattern
- Security lanyard keeps lid attached to receptacle in order to prevent theft and vandalism
- Flat lid with 8" opening is finished with fingerprint-proof, textured finishes in blue for recycling, black for trash, and green for compost
- Full wrap-around rubber gasket on bottom of receptacle to protect unit and floor surfaces
- Includes 33 gallon capacity LLDPE plastic liner with lift holes and bag retention notches, which match lid color. The liner base resin meets UL94 flammability standards
- Contains over 60% recycled steel and is 100% post-consumer recyclable
- Made in the USA
