

Indoor Decorative Recycling Receptacle

High Quality, Versatile Recycling Receptacles

Introducing the newest addition to Witt Industries' extensive line of Recycling Receptacles

- * Features a strong steel shell
- * Open-top receptacle offers touchless, sanitary waste disposal
- * ADA and OSHA compliant, all models feature galvanized steel liners
- * Recycle decal applied at factory
- * Color choice of Blue or Black dome with high polished Chrome body
- * Separate liner hides garbage bag

The new 415DT-44R-BK and 415DT-44R-BL includes an easy to service, 15 gallon, galvanized liner under the shell, which also hides the garbage bag. The 360 degree "Recycle" mylar decal is applied at the factory making this a ready to use unit right out of the box. The mirror finish makes this unit fit into any decor especially where an upscale look is desired.
